ZPE Systems Announces the End-of-Sale (EOS) for the following product(s):

- Nodegrid Serial Console Plus - 96 Port with 5G cellular module

Effective with the End-of-Sale date, this product will no longer be available for purchase.

We recommend that customers transition to our existing product:

- Nodegrid Serial Console Plus - 96 Port with 4G cellular module

This alternative offers similar functionality and ensures continued support and compatibility with our latest technologies.

Key Dates:

- **End-of-Sale Announcement Date:** February 28, 2025
- **End-of-Sale Date:** May 30, 2025
- **End of Life:** May 30, 2028
- **Availability of Replacement Solution:** Today

EOL Product Overview

EOL SKU	Description	Replacement SKU	Description
ZPE-NSCP-T96R-STND-SAC-5G	ZPE Nodegrid Serial Console Plus. 96x RJ45 Serial rolled, 2x GbE, 2x SFP+, 4-Core CPU, 4GB DDR4, 32GB SLC, 2x USB 3.0, 4G LTE (CAT12). Single AC, cord included. Includes Standard 2 year support and HW warranty.	ZPE-NSCP-T96R-STND-SAC-4G	ZPE Nodegrid Serial Console Plus. 96x RJ45 Serial rolled, 2x GbE, 2x SFP+, 4-Core CPU, 4GB DDR4, 32GB SLC, 2x USB 3.0, 4G LTE (CAT12). Single AC, cord included. Includes Standard 2 year support and HW warranty.
ZPE-NSCP-T96R-STND-DAC-5G	ZPE Nodegrid Serial Console Plus. 96x RJ45 Serial rolled, 2x GbE, 2x SFP+, 4-Core CPU, 4GB DDR4, 32GB SLC, 2x USB 3.0, 4G LTE (CAT12). Dual AC, cord included. Includes Standard 2 year support and HW warranty.	ZPE-NSCP-T96R-STND-DAC-4G	ZPE Nodegrid Serial Console Plus. 96x RJ45 Serial rolled, 2x GbE, 2x SFP+, 4-Core CPU, 4GB DDR4, 32GB SLC, 2x USB 3.0, 4G LTE (CAT12). Dual AC, cord included. Includes Standard 2 year support and HW warranty.
ZPE-NSCP-T96R-STND-DDC-5G	ZPE Nodegrid Serial Console Plus. 96x RJ45 Serial rolled, 2x GbE, 2x SFP+, 4-Core CPU, 4GB DDR4, 32GB SLC, 2x USB 3.0, 4G LTE (CAT12). Dual DC, cord not included. Includes Standard 2 year support and HW warranty.	ZPE-NSCP-T96R-STND-DDC-4G	ZPE Nodegrid Serial Console Plus. 96x RJ45 Serial rolled, 2x GbE, 2x SFP+, 4-Core CPU, 4GB DDR4, 32GB SLC, 2x USB 3.0, 4G LTE (CAT12). Dual DC, cord not included. Includes Standard 2 year support and HW warranty.

A brand of legrand

FAQ's:

Which options do I have if you need a NSCP with 5G connectivity?

Customers that require 5G connectivity with the NSCP product line can choose a suitable product with 16, 32 or 48 ports.

Can I extend my warranty for an impacted device beyond the End-of-Life date?

Customers can purchase extended support, following the normal Gold Support program rules. The end date for gold contract can go beyond the End-of-Life date and we will fully honor the support contract.
